Keynote Speakers: Drs. Steve Wallace & Kevin Frawley

Dr. Steve Wallace received his dental degree from New York University College of Dentistry. He is also a graduate of Boston University School of Graduate Dentistry where he received his Certificate in Periodontics in 1971. He is an Associate Professor in the Department of Periodontics at Columbia University. He is a Diplomate of the International Congress of Oral Implantologists and a Fellow of the Academy of Osseointegration. Dr. Wallace lectures on subjects relating to implant dentistry both in the United States and abroad.

Dr. Kevin Frawley is committed to the development of dentistry on all levels and is involved with both local and national dental associations. He is a member of the American Dental Association and the California Dental Association, where he currently serves as the trustee. For the past 30 years, he has been involved in implants and regenerative dentistry. He is part owner of Surgical Esthetics, a company focused on regenerative therapies, which was founded in 2011.

All inclusive!

Only \$7,500 per attendee!

The Mexico trip is all inclusive. Your cost includes all airfare to/from Mexico (where ever American or United Airlines serves), food and beverages, shared accommodation lodging, and the supplies needed for the live patient surgeries.

Register today! Limited to 8 participants.

About the course: Participants will begin their training with lecture delivered by Dr. Frawley. Second, they will observe a recorded sinus lift that Dr. Frawley performed. By the end of the course, each participant will perform three sinus lifts and/or ridge splits as well as assist with three additional procedures, all with live patients.

Course outline:

- History of sinus augmentation (internal/lateral sinus lifts) and ridge splits
- Review of literature
- Review of techniques
- Examples of cases
- Entire class will watch live surgery first
- Perform three live surgeries and assist on three other surgeries
